- If Wells International College defaults, WIC will refund to the student within 14 days after the default day and receipt of your Refund Application Form.
- Wells International College will give the student a statement that explains how the refund amount has been worked out. Wells International College dispute resolution processes does not circumscribe the student's right to pursue other legal remedies.
- This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies.
- The Standards for RTOs require the Institute to inform students considering enrolment of their right to a statutory cooling off period. A statutory cooling off period (which is 10 days) is a period of time provided to a consumer to allow them to withdraw from a consumer agreement, where that agreement was established through unsolicited marketing or sales tactics. These include tactic such as door-to-door sales and telemarketing. A statutory cooling off period allows a consumer to withdraw from a sales agreement within 10 days of having received a sale contract without penalty.

It must be noted that our Institute does not engage in unsolicited marketing or sales tactics and therefore a statutory cooling off period is not applicable to our students who have enrolled into a course. For refund option in other circumstances, students must refer to the refund policy.

- The refund policy is subject to review from time to time.
- The Institute recommends that you read the ESOS Framework Information, which provides legislative protection for International students, available at <https://internationaleducation.gov.au/regulatory-information/pages/regulatoryinformation.aspx>

Issuing of Certificates and Delivery

Wells International College is solely responsible for the delivery of all courses and for the issuance of their certifications. Wells International College is also solely responsible for compliance.

Complaints and Appeals Policy

Students have access to a Complaints and Appeals procedure if they feel they have been unjustly treated or have a serious complaint. Students who feel they have any type of complaint should first contact the Administration Manager. If necessary the complaint will be referred to the Principal Executive Officer in order to resolve the situation. A student dissatisfied with an activity or a decision regarding their academic outcomes can voice their concerns to the staff member concerned and, if appropriate, appeal to the Principal Executive Officer.

If students are still dissatisfied with the outcome of the complaint / grievance / appeal then students may lodge an external appeal or complain about the decision with the Overseas Students Ombudsman. The Overseas Students Ombudsman offers a free and independent service for overseas students who have a complaint or want to lodge an external appeal about a decision made by their private education or training provider. See the Overseas Students Ombudsman website <http://www.ombudsman.gov.au/about/overseas-student-ombudsman-landing-page> or phone 1300 362 072 for more information.

Student Code of Conduct

All people associated with Wells International College have the same rights. Harassment, bullying and victimisation will not be tolerated at Wells International College. Discrimination on any grounds is unacceptable. Students who feel that they are being sexually harassed or are the victims of any sort of racism should initially contact the Administration Manager. If the complaint is sufficiently serious, the Principal Executive Officer may establish a formal inquiry and/or refer to external authorities.

Change of Address and Contact Details

Upon arriving in Australia you are required to advise us of your residential and email address, telephone number and of any subsequent changes to these contact details. It is your responsibility to ensure that you always update your contact details at the Institute to ensure you receive important information about your course, fees receipts and any other important information at least every 6 months.

Packaged Courses

Note, this clause is only applicable to students on packaged courses. Confirmation of Enrolments (CoEs) for students on packaged courses may be issued with a shorter nominal duration, where the shorter CoE duration is conditional on students successfully completing their preceding course, therefore reducing the nominal duration of subsequent CoEs by Credit Transfer. In circumstances where students do not successfully complete their entire preceding course in a package of courses, or only successfully complete parts thereof, this will result in the revision of the shorter CoE to appropriately reflect the duration of enrolment required towards completion. Students are advised that any such revision may affect their Student Visa.
